Successfully growing businesses for over 20 years

Established in 1998 Sky Business Centres is a leading operator of business centres in Ireland, providing fully Serviced Office suites and Virtual Office facilities to our clients around the world.

As a business 'All-Star' awards winner, Sky Business Centres prides itself in service excellence providing first class service to all of our clients.

We are located in highly sought-after locations across Dublin including Clontarf, Clonshaugh and Damastown.

We offer a network of fully equipped flexible Serviced Offices that provides you with the convenience of a secure fully furnished workspace specifically designed for your business requirements.

Alternatively, we offer various Virtual Office packages for those who require a professional business presence without the need for a physical office space. Bringing together people, property and technology, providing you with the tools to allow your business to grow.

Grow your business with Sky Business Centres today.

A Virtual Office package is the perfect choice for growing Start-Ups, Entrepreneurs or remote businesses who are looking at reducing overheads whilst providing a professional business address and mail handling services.

A Serviced Office allows businesses to grow by providing a fully serviced office space tailored towards your business requirements. All offices are centrally located and managed by our all-star team providing a safe and professional working environment.

A Meeting Room at Sky Business Centres offers a secure and professional meeting room facility based at three prime locations across Dublin. We know first impressions are important and we work to provide you and your clients with the best possible experience from beginning to end.

The right space for you

Sky Business Centres has successfully accommodated both Irish and International companies for over twenty years.

Our Serviced Offices allow businesses to grow with the benefits of their own private office suite and use of our shared facilities.

Our offices range in size and cater to all business requirements ranging from 1 to 50 person offices. Serviced packages can be tailored to your needs, providing a safe and secure workspace for you and your team.

We remove the stress of multiple bills by providing you with an all-inclusive price. We offer flexible licence terms that allows you to scale your business without having to worry about additional overheads.

Our Serviced Office suites are centrally located with ease of access to local shopping facilities, hotels, restaurants, gyms and leisure centres for your convenience.
